

SECRETARY OF THE AIR FORCE  
Office of Legislative Liaison  
**ENERGY SAVINGS  
PROGRAM CONTRACT  
NOTIFICATION**

**U.S. AIR FORCE**

NOTIFICATION DATE: 29 August 2003

In accordance with 42 United States Code 8287, this is to notify you that the Air Force intends to issue a task order under a multiyear Energy Savings Program Contract (ESPC) with a cancellation ceiling in excess of \$10,000,000. We expect to award this contract no earlier than thirty days from today. The project is as follows:

1. Elmendorf Air Force Base, Alaska. This action will provide energy savings resulting from installation of individual natural gas fired boilers and from the decommissioning of the central heat and power plant. The energy savings project will extend for a period of up to twenty-two years. The maximum cancellation ceiling/liability is \$50,500,000.

The following Members are being notified of this proposed action:

Sen Warner	Chairman, SASC	224-6295	Sen Levin	228-0037
Sen Stevens	Def, Subc., SAC	224-2354	Sen Inouye	224-4402
Rep Hunter	Chairman, HASC	225-0235	Rep Skelton	225-9077
Rep Lewis	Def., Subc, HAC	225-5709	Rep Murtha	225-7850

If you have any questions regarding this announcement, please contact Air Force Legislative Liaison, Programs and Legislation Division, at (703) 697-7950. Please note that the Air Force does not maintain a list of contractor points of contact.

WILLIAM A. GROVES, Colonel, USAF  
Chief, Programs and Legislation Division  
Office of Legislative Liaison
